Headline:
Cloudy with some showers but feeling milder.

This Evening and Tonight:
It will be fairly cloudy this evening with some patchy light rain. Overnight, a few clear spells in any cloud breaks but a chance of some showers, mainly affecting the west. A milder night than of late, with localised frost. Minimum temperature 2 deg C (36 deg F).

Monday:
Brighter spells in the morning across the south and east, cloudier with rain in the north and west. Rain, heavy at times, affecting all later and overnight. Milder, but windy. Maximum temperature 9 deg C (48 deg F).

Outlook for Tuesday to Thursday:
Generally colder with sunshine on Tuesday, cloudier with perhaps rain in the far south and west. Outbreaks of heavy rain on Wednesday and milder. Drier on Thursday with sunny spells.
